mai ma nei... enlightened from the heavens above, we are told...enlightened by the rumbling of the earth below, we are told...pay attention; listen, so you can see....

Sunday, Kēkēmapa 19, 2k10...the stormy conditions that brought a deluge of rain beginning on *Kēkēmapa* 18th and continuing for several days, prevented our annual early celebration at sunrise and sunset at *kapaahuawa Kūkaniloko* anticipating the Winter Solstice of 2010...

Tuesday, Kēkēmapa 21, 2k10...heavy rains continued to shower upon all the islands of Hawai'i...storm clouds prevented our viewing of the first Total Lunar Eclipse in three years and the first Total Lunar Eclipse to preface a Winter Solstice in nearly 400 years...this eclipse was to be fully visible from our islands...*maka'ena*, the red-hot glowing face of this particular full moon, was an important *ho'ailona* for *ka poe kahiko*, an awareness of the changing times for all...although our eyes did not witness such a magnificent event, our hearts are filled with excitement as we stand at the threshold of a new era for **Ko Hawai'i Pae 'Āina...kanaka maui, mai ma nei...**

Friday, Kēkēmapa 31, 2k10...as we bring to completion the year 2010 and await the fresh and new opportunities of the year 2011, let us work together as the Hawaiian Civic Club of Wahiawā, as we have for the past 50 years,

"to protect the privileges of Kūkaniloko because we love them for all time..."

...it is no mistake that the date today is 1-11-11 acknowledging, It Only Begins...

HCCW Monthly Meeting will be held at the *Wahiawā* Police Station conference room on the second Wednesday this month, **January 12th at 7pm** ...we will begin plans for celebrating our 50th Anniversary *Pā'ina Poi* this April...please let us know how you are willing to participate in this grand event...*mahalo nui aloha kākou...*
