**Please be aware...** Thursday May 26<sup>th</sup> someone stole a Dole welding truck [HPD 11-188879 auto theft report] plowed through both security access chains along the road easement and dumped the truck on the north side of the makahalau. Received a telephone message 8:51 a.m. May 29<sup>th</sup> of the abandoned vehicle and damages onsite from a family member in Whitmore. I left a message for Ben at the Freshwater Park, spoke with dispatch at DOCARE and left a message for the SHPO to follow-up with a DOCARE and HPD...10am May 29<sup>th</sup> got out to kapaahuawa aka Kūkaniloko Birthstones State Monument, repaired both security chains/posts and notified HPD; the truck was towed off by All Island Towing. Ben came by in response to the DOCARE notification. I left kapaahuawa at 3:30 pm, access chains and posts repaired and secured.
