09.13.2k17...Hawaiian Civic Club of Wahiawā welcomed Guest Speaker, Celeste Hanley who visited us from the O'ahu Army Natural Resources Program. Her very informative slide presentation shared with us the various trees, shrubs, flowers, and groundcovers that will grow well here in *puuhonua kukaniloko, kalana wahiawa, lihue, halemano* uplands. Their resources are available to us in the planning of restoration of the Kūkaniloko ecosystem. HCCW plans a visit to their facilities in the month of March and to also take their tours offered to the gardens of Ka'ala. Mahalo, Celeste for also joining us every 3rd Saturday Kūkaniloko Clean-up day with *Nā Lālā O Ka Pūhala*. Here is her slide show. Armed with weed whackers, shovels, picks, knives, rakes, trash containers, a sit down lawn mower and specific tools to groom our Pūhala, our September 3rd Saturday Clean-up crew worked hard through heavy morning rains. However, the 'āina, now softened by these rains, helped the invasive weeds to pop out a little bit easier...

Mahalo Michelle Cabalse, Vicki Pakele, Ed Segovia and Nā Lālā O Ka Pūhala for "sharing the salt of your brows".

Sponsored by Hui Aloha 'Āina o Ka Lei Maile Ali'i, pre-contact astronomical knowledge was shared. Information was clear to a curious full house as to what Kukaniloko means and represents as the cultural and geographical piko of Oahu. Everyone learned why it mattered in the past and why it matters today.
